Apartment Sponsor Program

Many animals arriving at our Cat House require more than a temporary place to call home. Some need extensive veterinary care to make them feel better and prosper. They need good quality food, toys to stimulate their natural instincts, a soft clean place to nap and a tidy litter pan. They need to be spayed or neutered, vaccinated, wormed and micro-chipped so we'll be able to send them back home in case they get separated from their new owner.

Multiply this by 5 (the average number of cats in each Apartment) and you can see how many homeless animals will benefit from your act of kindness.

Each Apartment Sponsorship comes with an original engraved plaque for you to dedicate to a special person, pet or even yourself to show people you care about the plight of homeless animals.

We invite you to be a part of this special life saving program and thank you for caring about our homeless animals.
